

CHASSÉ | THEATER

General

There are a number of special wheelchair spaces available in all theatres. You cannot book them yourself via the website. To make a reservation for a wheelchair space, we ask you to always please contact the box office by phone, email or chat.

We can accommodate wheelchairs in the Koninklijke Drukkerij Em. de Jong zaal, but not mobility scooters. The theatre also has loaner wheelchairs.

To get to the Kinlyzaal as a wheelchair user, you need help from a member of staff of the Chassé Theater. The staff member will accompany you to the small auditorium with an office lift.

If you come with a fellow visitor, we will book this person next to you, so that - in case of calamities, he/she will be able to get you to safety quickly.

If you have difficulty walking, it is good to know that the balconies of the large hall (Jupilerzaal) and the central hall (Koninklijke Drukkerij Em. de Jongzaal) can only be reached via stairs.

Parking

Six parking spaces are available to the left of the theatre for people with a disabled parking card. These spaces are public and cannot be reserved.

Ticket sales

Unfortunately it is not (yet) possible to reserve tickets online. For reservations of wheelchair spaces, please always contact the box office by phone, email or chat.

Of course, you can come and visit our theatre together with others. In addition to a wheelchair seat one other visitor can take a seat. If there are several fellow visitors, we will place them as close as possible to the close by.

If you are using a large-size wheelchair, please inform the box office so that it can be taken into account. The ChasséTheater may also have a number of loaner wheelchairs that you can use.
